

Build Our Futures

Build Our Futures are the umbrella group for all of Wakefield Youth Voice activities . Work to improve the future and outcomes for all children and young people in Wakefield.

We are working together to make sure that all children and young people have their say on the things that affect them.

We want to make Wakefield ^{*}a great place to live by

- Making our communities better and safer places to be.
- Improve how people treat each other, encouraging respect and raising awareness of bullying, racism and homophobia
- Helping to review and co-design services for children and young people, to make them better and make sure that the right support is given at the right time

We meet every two weeks on Wednesdays 4:00pm - 5:00pm on WhatsApp, Skype or Zoom (during lock down)

If you would like to be involved in what we are doing, please contact Elaine Armstrong 07920751202 or email BuildOurFutures@wakefield.gov.uk
