

Build Our Futures, The Children in Care Council's Newsletter

June 2020

A huge thanks to all keyworkers for helping us throughout these tough times.

Throughout Lockdown, many people have been putting practice into their drawing and English skills.

Lockdown has been a bit boring, right? WELL THIS IS EXCITING!

The Care4Us.co.uk website is currently having a makeover.

It won't be long until it's in action.

Don't we all love celebrations?

Especially the cake!

We need your help! Can you help us decide the theme for the CICC Annual Celebration of Achievement Awards?

Please email rstanley@wakefield.gov.uk with your ideas. Be as wild and as creative as you like!

Everybody loves a competition. Especially when there's a £10 voucher up for grabs!

Here's what you have to do:

Send us your works of art, create a quiz or an interesting or weird challenge and simply email it to rstanley@wakefield.gov.uk

We'll share your work on our website and pick out the best each month and send a voucher to the winner!

Good Luck!

CICC and CICC Juniors have lots of opportunities for children in care:

Training,
interviewing,
activities, and
small on-line
groups

Why not get involved and have your say?

Wf-i-can.co.uk is a new website for children in wakefield about Emotional Wellbeing. There's loads of handy tips, games and support so why not take a look?

WF-I CAN

Coming Soon: Watch out for the video

version of our
monthly news!
