

PARTICIPATION NEWSLETTER

APR '24- SEP '24

What's in This Newsletter?

Find out about our activities and the work we have done around the Children in Care Council's priorities, and how you can get involved and make a difference.

Message from The Children in Care Council:

We hope you enjoy this newsletter, it has something in it for everyone from age 5 to 21 years old. Please ask your carer to read it too.

OUR AIM

We want to make sure that children in care have a say in the services that they receive AND feel valued. **We make sure that children's priorities are adults priorities.**

During the year, we will create lots of opportunities for you to have your say, make new friends, and have fun.

So take a look inside and find out what's been happening...

In early 2024, Care Experienced Young People decided what their main priorities should be.

- Better info for care experienced young people
- More emotional support for Foster Carers, Social Workers and Care Experienced People
- Reducing loneliness for Care Leavers
- More support for all Care Experienced people

Over the next two years our groups of young people will meet with Foster Carers, Social Workers, Councillors and Managers to talk about these priorities.

Our groups are safe places where care experienced young people can choose to talk about their experiences and feelings.

Because our young people are the experts, they will work with adults to identify the problems and come up with some amazing solutions.

Then it's over to the adults to make meaningful changes to the way services are provided, and let us all know how they have made things better for care experienced young people.

How we do it

Young people training adults:

We help adults understand what children feel, need, and want. We design and deliver training courses:

- Challenging Stereotypes for Children in Care
- Preparation to Fostering
- Participation and Voices Training
- Teacher Training

Young People Interview Panels:

We check-out if the people applying for jobs working with children have the right skills and attitude.

Care Experienced voice groups:

- CICC Juniors
- The Children in Care Council (CICC)
- 16+ Forum
- Corporate Parenting Committee
-

Other youth voice groups

- The Build Our Futures Forum
- Youth Parliament
- Shout out For Change

If you would like to know more, or get involved,

or call 07920503473.

Here's what we got up to...

Members of our 16+ Forum met to make memory books at Pontefract Castle.

Rich and Joy, one of our foster carers, met with the Mothers Union to find out how they could give support to Care Leavers in the community.

Foster Carer Working Party

Some of our Foster Carers meet together to improve what happens for children in care. If your carer is interested in being involved, ask them to get in touch!

fostering@wakefield.gov.uk

We delivered Preparation to Fostering Training to people who want to become foster carers. In this training we get a chance to help decide who will make a good foster carer.

Making Memories

the 16+ Forum met at Pontefract Castle to make memory books. Are you doing life story work? If so tell us what you like/ don't about it

The Build Our Futures Summit

In this year's summit Candice and Rachel delivered Children's Rights Training to adults and young people, We performed a brand new song, written by AJ, and we also looked at how Wakefield is addressing our priorities.

We delivered Participation and Voices training and Challenging Stereotypes training to workers.

Young people in CICC, CICC juniors and 16+ Forum decided their priorities.

Candice made a key note speech at Wakefield's Net Zero Summit. she shared her poem and talked about the importance of reusing and recycling.

CICC Juniors met at Pontefract Castle and told stories using natural found things which will be shown in an exhibition.

The Corporate Parenting Committee

We met with the Corporate Parenting Committee and delivered parts of our Participation and Voices Training.

Six Special Things

Feedback:

- I will listen to
- hear- not listen to
- answer
- I won't assume anything

We also talked about Care Experience becoming a protected Characteristic

If Wakefield Council decide to do this it would make it illegal for anyone to discriminate against you because you are in, or have been in care.

The Monthly Recap

The Monthly Recap

JUL'24

As part of Our Year, CICC helped the Museum Services deliver an escape room at Pontefract Castle

Members of the public had to fix a time machine to return to the future and Escape the Dungeon!

Read The Review!

“We visited the new Escape the Dungeon event today with my grand kids. What a fabulous experience it was! They never stopped trying to solve the clues to get the keys that enabled them to escape. There was even a guard and a prisoner to give hints if you got stuck (which we did a few times lol.) It was a very authentic escape room attraction and a superb way to spend an hour!! Hopefully there will be more soon!”

Footy!

Our Team, Wakefield Warriors, played in the Regional Care Leavers football Tournament.

We came 4th!!

Our logo was designed by the 16+ Forum and our kits were kindly donated by Castleford and District Lions Club.

In August we had our Care4Us Awards and Fun Day at the Yorkshire Sculpture Park.

Foster families worked with artists, Vinnie and Oksana to make some amazing sculptures.

We enjoyed activities from all the teams who work with us.

The CICC Choir joined with our Foster Carer Choir to sing, "I'll Stand By You," and "Mamma Mia."

70 young people and their foster and residential families were celebrated, receiving awards for:

- Being Kind
- Education
- Recreation
- Being Involved
- Making Positive change

Nominations for the Care4UsAwards for YP aged 13-17 are open until 17th January 2025.

E-mail: BuildOurFutures@wakefield.gov.uk

The Foster Hub home

In the Corporate Parenting Committee, Chantelle spoke about the values that our new home should have.

This home, which opens in Jan 2025, is to help children who are in residential care outside of the district move to a foster family.

The 16+ forum met to discuss Care Leavers Week Activities. They also discussed the upcoming exhibition. See more in the next issue.

Refer a Friend Scheme

Just a reminder that the refer a friend scheme is still ongoing!

Do you know someone who has the skills and qualities to be a foster carer?

There's a fantastic £1,000 referral payment to any Wakefield carer who refers someone who then goes on to become a foster carer and has a child or young person in placement for three months. To qualify for the payment, you'll need to ask the person you refer to tell the Foster Service your name at the point of enquiry.

More Emotional Support for Foster Carers, Social Workers and Care Experienced People.

Better Information and Communication for Everyone.

*"I saw it, I said it,
it changed" -
Reece*

Every month young people in Wakefield meet up to talk about things that are important to children in care in Wakefield.

Why do we do it?

- To make the world a better place for children in care
- To work on our priorities
- To make friends

What does it mean to us?

- It's important that we are helping children have a stable roof over their heads.
- We are learning people skills.
- It's improving our confidence.
